New Delhi, October 15, 2022 /- CyberLearning, Global Training Partner of Microsoft and the Company that launched several entry level global certifications in India including the Microsoft Office Specialist, Adobe Certified Associate, IC3, MTA and few others, announced Season IV of **COMPUDON JUNIOR- a National Championship for School students of junior classes on Digital Literacy Skills** inspired by Microsoft Digital Literacy Skills Curriculum. The Digital Literacy Standard Curriculum teaches generic ICT skills and concepts, which are critical and important for students to learn.

"Content of COMPUDON Junior truly gives you a solid foundation in 21st Century Skills"- said Chief Guest of India Awards Ceremony of Season III, **Dr Vinnie Jauhari- Skills & Learning Lead at Microsoft India**. "*Students with digital literacy skills will be more competent, more comfortable and more confident in learning new skills and navigating through 21st century, whereas students without solid foundation in digital literacy will lack the ability and confidence to navigate through 21st century. This is precisely the reason behind this ICT championship*" said **Pankaj Rai- Chairman & Managing Director of CyberLearning**, while announcing the launch of Season IV of COMPUDON Junior championship".

Season III of the championship attracted several thousand contestants from around the country. Students, ages 8-14 years competed with peers to prove their superior skills in Digital Literacy.

To enter the competition, students took a qualifying COMPUDON Junior Level 1 exam to demonstrate their skill level. 263 finalists qualified to compete in the final round of the championship.

About COMPUDON JUNIOR

COMPUDON JUNIOR is a National Championship inspired by Microsoft's Digital Literacy Standard. The season IV of the championship will be open to students in age group of 8 to 14 years (as on August 15, 2023). The championship will test the students' skills on basic ICT or digital literacy concepts that are essential for students in 21st Century. There are 2 levels of the championship. First level takes place at the school itself and each participating student is given study material and tools for practicing before the level 1 exam. Top 400 high scoring students from around the country will be invited to compete in the India Final round of this National Championship. In the India finals, these students will also be representing their school and their region. There are over 100 awards to be won which include not only National Awards but also awards such as Regional Awards for 6 regions, Celebrated Participants, and Merit List. The National Winner will win the coveted title of India Champion of Digital Literacy.

The India Awards of the COMPUDON JUNIOR Season IV will take place in August 2023. More details on www.compudonjunior.in
