About COMPUDON JUNIOR

COMPUDON JUNIOR is a National Championship inspired by Microsoft's Digital Literacy Standard. The championship is open to students in age group of 8 to 14 years. The championship tests the students' skills on basic ICT or digital literacy concepts that are essential for students in 21st Century. There are 2 levels of the championship. First level takes place at the school itself and each participating student is given study material and tools for practicing before the level 1 exam. Upto 400 high scoring students from around the country are invited to compete in the India Final round of this National Championship. In the India finals, the students also represent their school and their region.
