New Delhi, September 8, 2021 / -- CyberLearning, the Company that launched India's first ever Official Championship on Microsoft Office Skills in 2011 and provided a global platform to thousands of students announced Season III of **COMPUDON JUNIOR- a National Championship for School students of junior classes on Digital Literacy Skills** inspired by Microsoft Digital Literacy Skills Curriculum. The Digital Literacy Standard Curriculum teaches generic ICT skills and concepts, which are critical and important for students to learn.

"CyberLearning continues on the path of creating legacy of excellence and launches season III of COMPUDON Junior championship which provides participants with most essential digital literacy skills", said Pankaj Rai- Chairman & Managing Director of CyberLearning. *"Digital skills are most essential for students in the 21ST Century because if students are not truly digitally literate, they will not only struggle to reap benefits from the opportunities in 21st century, but they will be at significant risk of being left out. The fact that the world is changing at unprecedented speed makes it all the more important for students to have solid foundation in digital literacy. Having a solid foundation of digital skills is an absolute must to remain relevant in this fast changing world. This is what we aspire to give to School students from junior classes through this ICT championship."*

About COMPUDON JUNIOR

COMPUDON JUNIOR is a National Championship inspired by Microsoft's Digital Literacy Standard. The championship is open to students in age group of 8 to 14 years (as on August 15, 2022). The championship will test the students' skills on basic ICT or digital literacy concepts that are essential for students in 21st Century. There are 2 levels of the championship. First level takes place at the school itself and each participating student is given study material and tools for practicing before the level 1 exam. Top 600 high scoring students from around the country will be invited to compete in the India Final round of this National Championship. In the India finals, these students will also be representing their school and their region. There are over 100 awards to be won which include awards such as Runners Up, Regional Champions, Celebrated Participants, Merit List, School, & Class Awards. The Winner will win the coveted title of India Champion of Digital Literacy.

The India Awards of the COMPUDON JUNIOR will take place in July 2022. More details on www.compudonjunior.in

ABOUT CYBERLEARNING:

CyberLearning is a **Global Training Partner of Microsoft** and is the company who introduced several *Information Worker* category of certifications in India including Microsoft Office Specialist (MOS), Adobe Certified Associate (ACA), Microsoft Technology Associate (MTA), Internet & Computing Core Certification (IC3) & others.
